NOTTINGHAM 2011 BOYS SOCCER PREVIEW

Head coach: Mike Braender, 5th season

Assistants: Danielle Wilson, Phil Zomparelli, Melissa "Shop 'N Bag" Foley, Rob "The Ex-Apprentice" Nosari.

Last season: 4-11-2

Braender says: With the experience we have and a lot of guys coming back and some guys with a few years experience we have a pretty good shot to make a run here this year. I'm hoping a couple guys learned their positions a little better last year, at the end of the season especially. The fact we learned our positions last year will help this year. We lost our goalie of two years from last year and we have a new goalie with Rob Ertel. He's been out of soccer a few years and now he's back. Hopefully he'll be a big key for us.
