

HAMILTON WEST 2011 BOYS SOCCER PREVIEW

Coach: Mark "Goose" Laurenti

Assistants: Anthony Funari, Chris "The Baron" Raba

Last year: 2-14-2

Laurenti says: The players have come to camp working hard. They're dedicated to the drills, the fitness, the ball work. I think the thing I like the most is that the guys are dedicated to working together and playing hard.

I feel good about coming into the season. What we don't have in skill, we have to have in heart. The guys are dedicated to working together and playing hard. That's gonna make the mark for Hamilton High West. Our goals are to play one game at a time, to be in every game and hopefully squeak a few out.
