

## Sonny and Coughlin – Separated at birth?

*There seems to be some controversy among Hamiltonians as to who really won the Super Bowl on Sunday: Was it Tom Coughlin (with trophy at right), or was it former Rider baseball coach and long-time township resident/Christmas Eve club member Sonny Pittaro. Put a Giants cap and some specks on Sonny and you'd be hard pressed to tell the difference. Fear not, Fish4Scores.com is on the case and will get to the bottom of this. When watching Tuesday's parade, see if Coughlin and Pittaro are ever seen standing in the same spot!*
